Music Notes for this week.

Taizé worship.

This week, we begin a new church year with the season of Advent. We await the coming of the Lord, preparing for the birth of Jesus. This week's hymns were created for the Taizé community, an ecumenical monastic community founded in Burgundy, France, in 1940. Much of the music was conceived of and composed by Jacques Berthier (1923-1994), informed by various musical traditions, from Eastern Orthodox chants to simple, repeated phrases.
